SWISS KRONO Group

Email: communications@swisskrono.com

For Immediate Release: August 25, 2025

Wilsonville, OREGON – Collins Pine Company and the SWISS KRONO Group are pleased to announce the successful closing of the sale of Collins Pine Company's particleboard and engineered wood siding manufacturing facilities in Klamath Falls, Oregon, effective August 25, 2025.

This closing marks the final step in the transaction announced on May 30, 2025, and represents a significant milestone for both companies. The facilities and their operations are now officially part of the SWISS KRONO Group, strengthening its North American presence and expanding its footprint into the Western United States.

Both companies express their appreciation to all employees, customers, and business partners who supported the transition and look forward to continued success under SWISS KRONO's ownership.

Financial terms of the transaction remain confidential. Other Collins business units are not affected by this transaction.

About SWISS KRONO Group

SWISS KRONO Group is one of the world's leading manufacturers of wood-based materials and stands for sustainable and innovative solutions in the business areas of Flooring, Interiors, and Building Materials. SWISS KRONO focuses on recyclable materials for living and working environments. As a preferred partner, SWISS KRONO enables its customers to grow with green building materials. Founded in 1966 as a family business, the group now employs around 4,800 people at twelve production sites in eight countries around the globe. The corporate office is based in Lucerne, Switzerland.

About Collins Pine Company

Founded in 1855, Collins is family-owned and produces softwood and hardwood products at their facilities in Chester, California, Lakeview, Oregon and Kane, Pennsylvania. Collins is highly respected for their sustainable forest management, practiced across their over 370,000 acres of FSC®-certified lands in California, Oregon, and Pennsylvania.
